Vision

“SUPPORT” visualizes an equitable, peaceful, just and value based society, free from discrimination of economic status, gender, caste and religion.

Mission

The Mission of “SUPPORT” is to organize and empower the marginalized sections of the society through Self-help Initiatives and **Right Based Approach** enabling them to manage their own economic, social, educational affairs in an ethical and sustainable manner.

Objective(s)

- ✿ To empower the people by creating awareness among them and install in them a spirit of confidence & self-help through people's organization.
- ✿ To enable people become self-reliant, socially and economically, by maximum integration of their knowledge & skill and optimum utilization of available resources.
- ✿ Promotion of sustainable development activity through integrated approach.

Executive summary

In the development sector, the term Sustainable has become a popular terminology for an environmentally sound, productive, economically viable, and socially desirable atmosphere. Sustainable development is ultimate concern of the organization. SUPPORT has continuously maintained its effort in addressing the issues pertaining to holistic development. In the tune of Millennium Development Agenda/Goal, SUPPORT has adhered its responsibility in strategic alliance and encountering of local and national issues that leads community towards prosperity & sustainability. For encountering local problems, SUPPORT in this particular year, as a part of moving wheel of development, subsequently the program and intervention part has executed with the support of all concerned stakeholders.

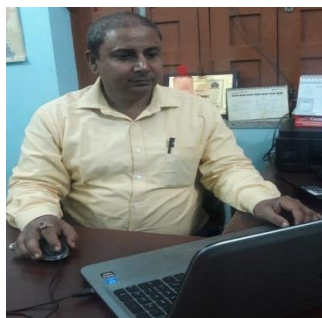

The year's interventions from SUPPORT as well as with the viewpoint of development partner, a few significant works has been accomplished in the course of addressing Agriculture, Allied - activities, Livelihood, Capacity building, IT and Sustainability issues.

A biggest impact year's thrust is on Natural Resource Management so as to bring the ecological and balance change in the area. Community/Institution has worked with SUPPORT team and accomplished many milestones.

Considering imbibing livelihoods activities NABARD associated for making the communities sustain through agriculture and other support.

In order to empower the women section in development stream, MKSP with support of JSLPS came forward to join the hands. As a result, 359 women SHG's were formed and have gear up the wheel of development.

SUPPORT in association with **IWMP (RDD, Govt. of Jharkhand), TDF - WADI, WATERSHED, W-SHG & CLIMATE PROOFING (NABARD), MKSP (JSLPS & MoRD), PIP, WATSAN (CInI - TATA TRUSTs), IFAD - JTDS, CFT - MGNREGA (RDD, Govt. of Jharkhand) UNICEF - JHARKHAND, BYP (GALV-MED) & GGSS (SWIT), AE Model (SYNGENTA INDIA FOUNDATION), SIA STUDY (DEPT. OF LAND ACQUISITION & REFORMS GOVT. OF JHARKHAND)** has initiated remarkable efforts towards sustainable agriculture, non-agriculture livelihood, livestock & health among farmers, men, women, children and traditional entrepreneurs from small & marginal community in nine districts of Jharkhand. During implementation phase (2016-17) most of the projects resulted positive effects and have been remarked & certainly it's a sign of difference with development.

Key note from the Secretary

I, express my whole heartily thanks to grass root activist, the farmers, women, youth, member WSHG's, CRPs' including all key stakeholders who worked intensively giving handholding support to attain the targeted interventions, being implemented in the financial year.

While working on specific projects, our team members have achieved the targets and milestones with coordinated efforts of all functionaries. As a result of cumulative effort and team spirit more than 85 % targets has been achieved by the team that shows a great contribution of functionaries and community together.

Our development processes have leveraged and translated at the grass root level through convergence action with govt. and other departments who are associated in the state and country wide.

Year's intervention has emphasized to address the issues related to women empowerment, income generative activities, knowledge and resource management, survey & research, skill & livelihood with optimum utilization of natural resources so that community could be empowered as a real stakeholder for their self development.

I feel very proud that SUPPORT is leading towards a meaningful development initiative in the region and acknowledge all the stakeholders for their support.

Last but not the least, I, on behalf of entire SUPPORT family express gratefulness to all funding agencies both government & bye lateral agencies for their cooperation, support and needful suggestions in achieving the desired goal and success. We always need and appreciate our togetherness.

With Best Compliments

(B. S. Gupta)

Genesis of SUPPORT

The philosophy behind constitution of organization is based on holistic development of the people by the people & for the people. SUPPORT strongly believes on democratic process of development where all strata of people, mainly poor & marginal households can contribute their imperative role in every sphere of development & utilize the local resources to improve the lives of individual & community at large.

Guiding Principles:

The organization follows the core principles of equity, justice, peace, fraternity and secular. It believes in collective wisdom of people of the area which comes up with best solutions. The organization primarily works to increase the role of panchayati raj institutions by empowering their skills, capacity building and interface dialogues in order to optimum development of society. Support nurtures potentials and enhance capabilities of local communities for self sustainable livelihood options.

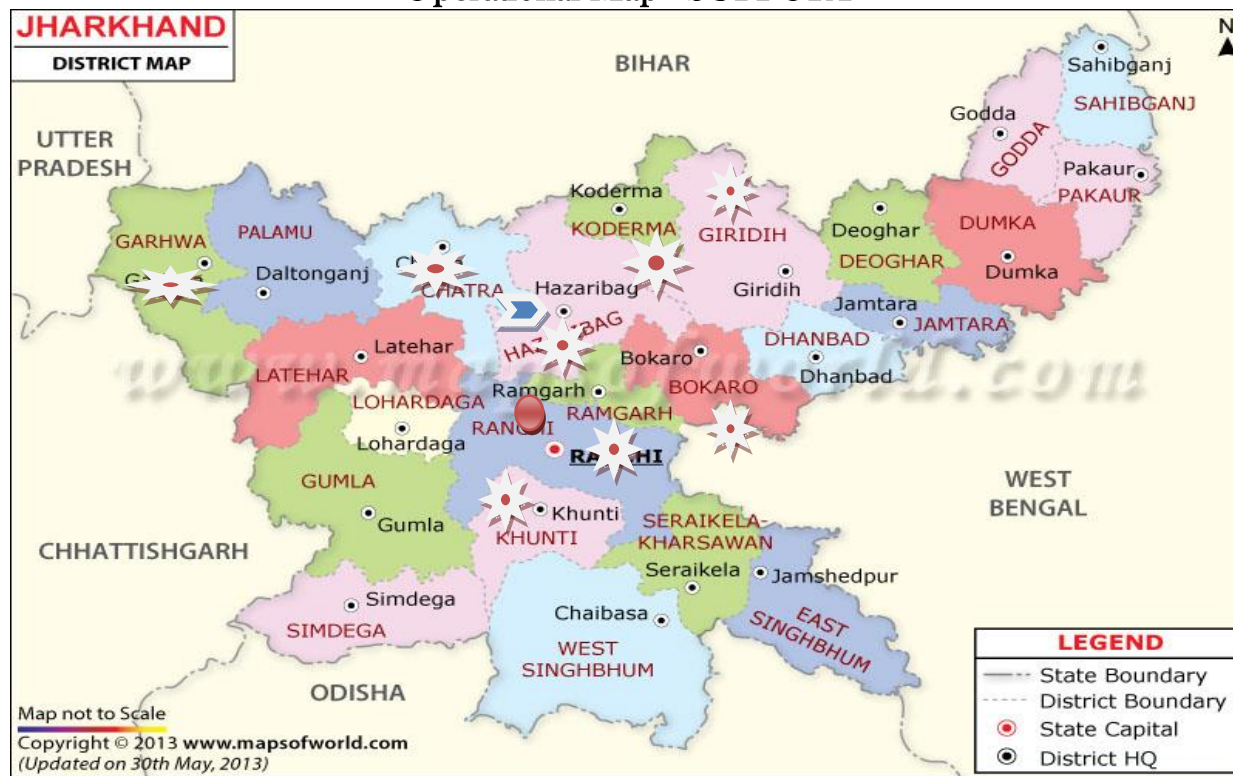

SUPPORT is working with the poor, deprived & needy population in hard to reach pockets of 09 districts in Jharkhand. Our Initiatives are well defined and based on the local conditions and people's need to prop up them to overcome various challenges and build up local initiatives to promote fraternity and ethical values for well developed society.

Out reach

During the reporting period, the organization has been able to reach out 112093 poor and marginal families which cover 5846 villages across 50 blocks in 09 districts of Jharkhand. SUPPORT focuses more on skill improvement & capacity building among the men and women farmers on various livelihood options' to enable them skilled independent and self employed.

Till the end of reporting year, SUPPORT has reached out to 46 % ST, 28% SC and 26 % other backward households by implementing various projects in nine (9) districts in Jharkhand.

Operational Map - SUPPORT

NOTE: Presently SUPPORT has reached in 5846 revenue villages across 50 Blocks in 09 Districts which covers 112093 H/H in Jharkhand. The breakup of total households is 46% from Schedule Tribe, 28% Schedule Caste & 26% Other Backward Castes, served through various programs & projects.

OUTREACH OF PROGRAM AND ACTIVITIES CARRIED OUT DURING THE YEAR, 01ST APRIL' 2016 – 31ST MARCH' 2017

INSTITUTIONAL DEVELOPMENT

Support to Women Self Help Groups in LWE districts Hazaribagh, Ramgarh, Giridih & Bokaro through mutual efforts of SUPPORT & NABARD.

The total world population comprises of 50% women. As far as the social status of women is concerned it has been seen that in the Indian context in most states women are not treated as equal to men in most places. The gender discrimination is very deep rooted and it adversely affects the moral of the women population in the country as a whole.

Self-help group is a method of organizing the poor people and the marginalized to come together to solve their individual problem. In the past couple of decades SHG's in India including Jharkhand have emerged as a very powerful tool for poverty alleviation & empowerment of women.

Celebration of International Women's Day at Hazaribag

The women of Jharkhand are hardworking, simple and devoted towards their family and the society. They just not limited to domestic course, but actively participating in agriculture and non-agriculture based actions.

SUPPORT with close consultation and partnership amid several dynamic non-governmental organizations in four different districts (**Hazaribagh, Giridih, Ramgarh & Bokaro**) is working towards empowering women and has been successful to organize 8969 active WSHG's in the last

reporting year. 9926 WSHG's have been formed & linked with local service banks and successfully opening income generating ventures in their villages, based on their interest and need.

Formation of Village Organization (V.O)

The village organization V.O's are formed in project operational areas as an independent institution to support local self governance and community development activities. The PRI's, SHG's and Local farmers are the key members of V.O.

The prime objective of constituting V.O is to building capacity on various issues related to skill development, financial arrangement and initiating income generating activities in their respective villages.

Nearly 56 V.O.'s have been formed during last reporting year, out of that 03 are involved in value chain activity i.e. Chilly cultivation, Lac Production, Pigeon Pea, Tomato & Potato . The replication of the above value-chain intervention is being adopted by several V.O.'s in defined districts Ramgarh & Hazaribag in operation.

SHG Federation

Constitution of federation came into existence through number of dynamic SHG's in project block of Churchu. Presently, federation is regularly mobilized and nurtured mutually by project team of SUPPORT & CInI TATA TRUSTs. The federation has initiated a few specific activities and closely monitored by members, these activities are furnished as under.

Churchu Nari Urja Mahasangh (The Federation) was constituted in 08 March 2016 under Society Registration Act 21, 1860 and since its inception working towards the holistic development for women in Churchu block and adjoining areas of Hazaribag district. The Sangh is consisted of 282 SHG's, covering 3500 women members of 36 different villages in Churchu Block of Hazaribag

- **Formation of Bank Sathi:** emphasizing more of saving and credit linkage of SHG's in the local service banks. The initial monetary support was provided by SUPPORT.

- **Health Sathi:** SHG's, AWW are the core members of Health Sathi. Creation of health awareness, process of availing health services, keep safe and healthy environments under Swachh Bharat Mission (SBM) are the basic actions exercised by Health Sathi.
- **Formation of SHG's Sathi:** was constituted under federation with an idea to strengthen SHG's and sharing on various issues relating to process of saving and credit linkage and viable income generating activities.
- **Mahila Sathi:** The members federation are also raising voice and protection women those who are exploited. The member federation raises their voice when women are violated due various causes of atrocities.

Formation & promotion of Joint Liability Group (JLG) with NABARD in 04 districts of Jharkhand.

JLG is a group of 4 -10 people of same village/locality of homogenous nature and of same Socio Economic Background who mutually come together to form a group for the purpose of availing loan from a bank established within the service area without any collateral.

During last year SUPPORT along with team members constituted and mobilized 40 Joint Liability Groups, consisted of 287 members, both men and women from small and marginal community in four districts (Ramgarh, Hazaribagh, Giridih & Bokaro) in Jharkhand.

Almost all JLG's formed in and around the operational district, are playing decisive roles by maintaining account registers for credit linkage and repayment, regular capacity building of JLG members and giving details about the benefits of JLG's to their members as well as concerned banks.

Visit by CGM NABARD at village Bongabar, Mandu

Water Users Groups (WUG)

By the end of reporting year, 35 WUG's in Churchu & Barkattha block of Hazaribag district has been formed and mobilized with an idea to initiate collective effort and initiatives to save and sustain water in the catchment areas for optimal use like irrigation, fish & duck production. The members WUG are also trained to motivate other people living around the operational areas.

Watershed Committee (WSC)

In order to maximum utilization cum restoration of water from various sources like rain, rivers, pond and other such channels, the watershed committee has been formed to share, work and participate time to time on above specific issues and attain maximum production during Rabi & Kharif seasons.

11 WSC/s committees are formed and mobilized in Barkatta and Mandu block to promote sustainable watershed harvesting processes in the project blocks.

Mobilization of Farmers Clubs

Farmers are the most significant actor for promotion of agriculture and non-agriculture farm ventures. Today they need to be organized, skilled and well informed about various issues related to scientific process of agriculture, high variety of seeds, irrigation process, climate change and ways to tackle these.

Realizing the above, our team has formed 32 farmers clubs with 487 members in different project blocks. They are functioning well and succeeded to generate Rs. 83.79 lakhs.

Farmers Producers Organization (FPO) & Cooperative Development in 3 Districts of Jharkhand.

The organization is skilling farmers on various issues relating to improved & scientific process of cultivation, horticulture promotion, intensive vegetable cultivation, Lac cultivation, SRI, SWI techniques, linkage with local banks and markets with an idea to increase their additional income. Realizing the above, four - 04 farmer's producers organization's are formed and mobilized. The registered FPOs are listed as under.

1. Jharkhand Vikas Lac Utpadak Sahyog Samiti Ltd - Ramgarh
2. Wadi Ful Sabji Uttapadak Sahyog Samiti Ltd - Bokaro
3. Sanyukta Grameen Matasyajeevi Swawlambi Sahkari Samiti Ltd - Hazaribagh.
4. Chanaro Fal Sabji Pvt. Ltd - Churchu, Hazaribag

The above FPO's are in initiation mode, and promoting large scale farmers intervention on value added products and services.

Exposure visit of FPO members along with DDM, NABARD at HCSSC, Hazaribag

PROMOTION OF INFORMATION & TECHNOLOGY

Digitization of SHG's in Ramgarh and Hazaribagh District with NABARD

The organization is digitizing all SHG's formed and linked with local service banks in two districts i.e. Hazaribagh & Ramgarh since 2015 onward. The program is supported by NABARD.

Secretary SUPPORT honoured by CGM NABARD & Conveynor SLVC at RO, Ranchi

SUPPORT in close consultation with its partner NGO's – Holy Cross and Gramin Seva Sanstha is carrying out the assignment in target districts. Till reporting period nearly 4634 SHG's have been connected with digitization with direct benefit transfer facility by Aadhaar Number.

The said program was launched in Mandu in 2015 by Honorable State Finance Minister, GoI Shri Jayant Sinha.

The programme is continuously reaching its target outreach with quality. We expect, almost 100% SHG's would be digitized with diffusion by end of this year.

Internet Saathi for capturing global knowledge and information among rural population in Churchu Block – Hazaribagh

E-Learning through Internet Saathi

It is an inimitable program with joint venture of SUPPORT, CInI - TATA TRUSTs and GOOGLE to bring awareness in rural community on internet and its benefit though involving village cadre (women) of having a designed cycle with two smart phones and two tablets with

internet facility. Total 35 designed carts, 50 smart phones and 40 tablets with internet facility have been provided to 25 trained Internet Sathi in Churchu block covering 41 villages. The program had reached to 21000 population age between 6-45 years in 1st year. The programme had led to technology dissemination among rural mass especially the women & youths, the usage of internet and developing as Digital Entrepreneur thereby contributing to Digital India Campaign.

NATURAL RESOURCE MANAGEMENT & LIVELIHOOD GENERATION

Land and water have been the basic elements of life support system on our planet since the dawn of civilization. All great civilizations, flourished where these resources were available in plenty and they declined or perished with the depletion of these resources.

India constitutes 18 per cent of the world's population, 15 per cent of the live stock population and only 2 per cent of the geographic area; one per cent of the forest area and 0.5 per cent of pasture lands. The per capita availability of forests in India is only 0.08 per ha as against the world average of 0.8 per cent , thus leading to the pressure on land and forests. This poses a major and urgent concern.

Vegetable Cultivation at Barkatha, Hazaribag

Year 2012 onwards, SUPPORT has been continued intensively through Integrated Watershed Management Program (IWMP) covering 8800 households and 35 revenue villages subjected to 10 Micro-Watershed of Barkatha Block in Hazaribagh district. Total treatable area is 4990.07 ha. The above program is being supported by Jharkhand State Watershed Mission (JSWM), GoJ & DoLR, Govt. of India.

Till reporting year, total 72.12 hectare field bunding, 22 NADEP, 09 Dobhas, 01 pond, 02 Ahar renovation & 03 pond renovation has been successfully accomplished among 8800 households in 35 revenue villages of Barkatha Block, Hazaribagh. Entry Point Activities (EPAs) have been exercised before initiation of above as rapport building process.

Chumba Nala Watershed supported program through mutual efforts of SUPPORT & NABARD.

The organization is continued with WDF with NABARD at Chumba Nala in Mandu Block of Ramgarh district. The project covers 725 Ha of land with 581 HH. 1 no. Watershed Committee are organized and activated to look after the day to day progress on watershed activities, sharing on various issues with viable decision.

During the period 3 ha CCTs, 1 Earthen Check Dam, 1 Cement Check Dam, 2 Aahar renovation, 7 Dobha, 5 Pond, 1 Drum Check Dam were created .12 hh Land less farmers was provided T & D variety of piglets, 20 hh goatry, 134 hh backyard poultry birds., 3 Trainings were organized on

Vermi compost and other livelihood activities.

Cluster Facilitation Team (CFT). MGNREGA - NRLM. A Convergence Strategy Programme supported by MoRD – GoI and RDD, GoJ

CFT Mate training

CFT work on field

The National Rural Employment Guarantee Act 2005 (NREGA) is a social security scheme that attempts to provide employment and livelihood to rural laborers in the country. In an effort to make inclusive and overall development a reality, the NREGA was passed as a labour law and implemented across 200 districts in 2006. By 2008, it came to cover the entire country. The scheme was designed to provide any adult who registers for rural employment a minimum job guarantee of 100 days each financial year. This includes non-skilled work, making it one-of-its-kind across the world. It was later renamed the Mahatma Gandhi National Rural Employment Guarantee Act (MGNREGA). The MGNREGA is an entitlement to work that every adult citizen holds. In case such employment is not provided within 15 days of registration, the applicant becomes eligible for an unemployment allowance.

05 CFT team namely Churchu, Mandu, Dadi, Domchanch & Satgawan are extending support to community, their concern department & line agencies to work on various schemes under MGNREGA -NRLM, funded by Ministry of Rural Development Government of India and Jharkhand.

Total 365 villages consisting of 90 gram panchayats and 05 community development blocks (Mandu, Dadi, Churchu, Domchanch & Satgawan) of 03 districts (Hazaribagh, Ramgarh & Koderma,) in Jharkhand are under CFT.

The program is continued since 2015 onward. Our team members have been successfully facilitating MGNREGA functionaries to implement various schemes in all three districts. The details are furnished as under.

Water & Irrigation Development - Project Supported by CIn-TATA TRUSTs

During last reporting year 17 seepage well were constructed with mutual efforts of SUPPORT and CInI - TATA TRUSTs in Churchu Block of Hazaribag district. Beneficiaries were also provided lifting device along with pipes to use water efficiently. Nearly 238 households are directly getting benefit of it.

The production of seasonal vegetables has been raised and this resulting augmentation of additional income among the farmers.

Solar Irrigation System at Churchu, Hazaribag

DDM NABARD visit to Seepage well in Churchu, Hazaribag

Natural Resource Management (NRM) & Livelihood Initiative with NABARD & JTDS -IFAD.

Global population, economic growth and on-going environmental deterioration put increasing pressure on the existing natural systems. Their ability to provide renewable resources such as food, water and energy is at risk and waning. This calls for specialists and leadership in order to develop and employ managerial, economical, governance, and technical solutions. SUPPORT, along with concern agencies is continued to focus on three priority areas and working on this over the last 03 years. The key areas are.

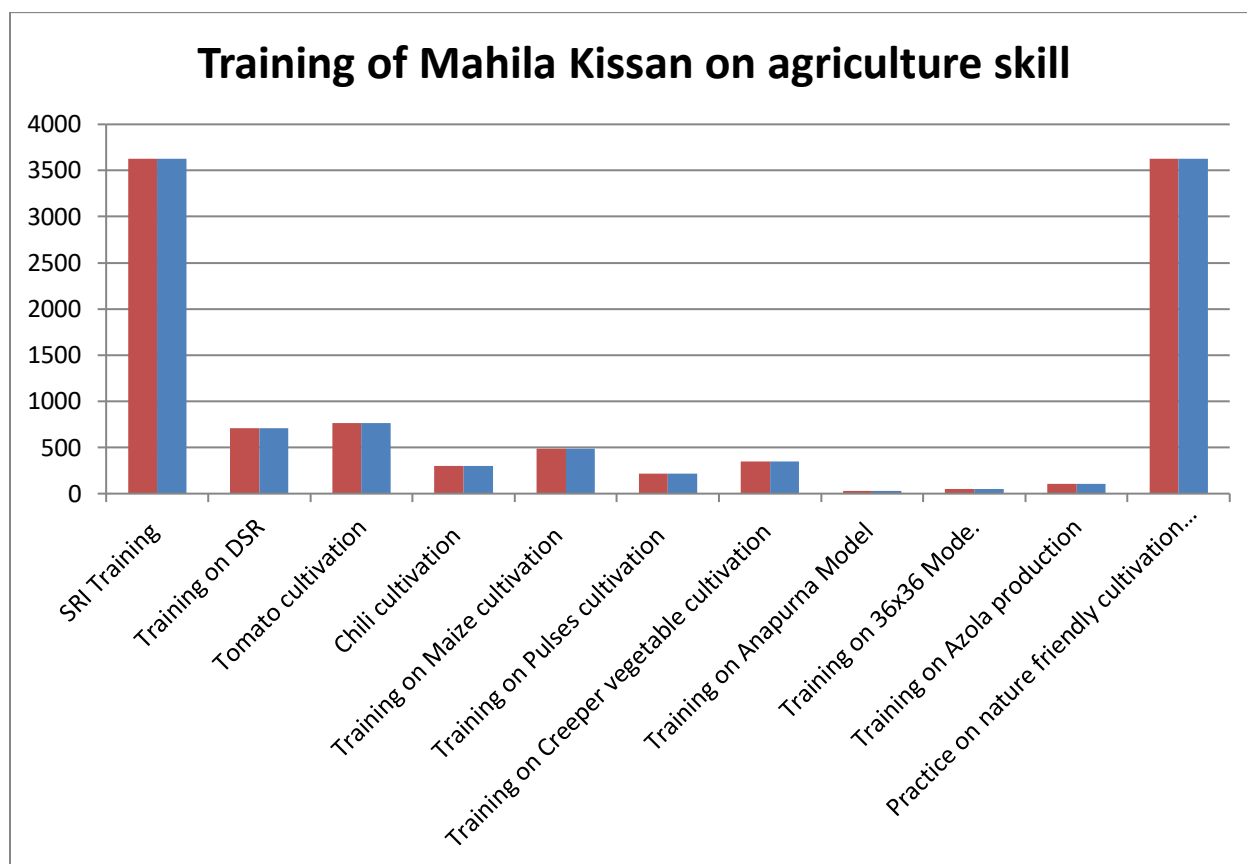

- Sustainable Agriculture
- Land and Water Resource Development
- Horticulture Development.

Mahila Kisan Shashatikaran Pariyojana – MKSP supported by JSLPS, GoJ & MoRD – GoI.

Tomato cultivation in MKSP field area at Mandu, Ramgarh

The project MKSP mainly focuses on small and marginal women farmers, by enhancing their skill and livelihood options through optimum utilization of local resources. About 3000 women from 359 SHG's are encouraged to involve in this project. We along with SHG's members and community leaders have been successful to attain the set target which could be visualized through diagram as presented below.

The orientation cum skill based training had been imparted time to time by project team among the front line workers working at the grass root. Planning exercises are conducted on regular basis by SHG members in their respective village and cluster. Till the reporting period, 100 trainings on different value chain, 27 Annapurna Model, 51no. 36 x 36 Model, 1112 ha land under sustainable agriculture, 12 exposure visit to immersion sites, 6 Farmers Field School, 6 NPM Shop, 2 Pashu Patshala and 3000l bio-pesticides have been prepared.

The project MKSP works in partnership with key stakeholder & other functionaries working with block, district and state level. Birsa Agriculture, KVK, Farmers Producers Groups are Co-actors working and sharing on various innovative issues to smooth implementation of program.

Promotion of Rural Livelihood options through Project Implementation Plan (PIP) Tata Trusts and Collectives for Integrated Livelihood Initiatives (CInI)

With an objective to promotion of rural livelihood among low incoming earning groups and farmers, a joint venture program was initiated in 2015 under Project Implementation Plan, PIP by TATA TRUSTS & Collectives for Integrated Livelihood Initiatives (CInI). It is five years mission oriented project 2015-2020, with target of “LAKHPATI KISAN - SMART VILLAGE “.

It's mutual efforts of TATA TRUSTS, CInI & SUPPORT to make a difference, among 3500 farmers with livelihood activity to enable them self employed & self reliant. The said project is successfully implementing in 36 villages under Churchu block of Hazaribagh.

Rural Entrepreneur's (Lakhpati Kisan) from Churchu, Hazaribag

Till the end of reporting year, 2200 farmers are provided direct livelihood opportunity to become self employed. 282 SHG are actively participation in decision making, saving & credit activities, inter loaning with livelihood activities. .

Livelihood options under Integrated Natural Rural Mission INRM & National Rural Mission, NRM & IFAD through Jharkhand Tribal Development Society - JTDS

SUPPORT is continued Jharkhand Tribal Empowerment & Livelihood JTEL project in Masaliya block of Dumka district since 2015 onward.

Till reporting period, total 210 SHGs, 47 GSPEC, 47 VDF, 36 ponds, 12 swallow well 19 youth clubs, 100, pig, 100 goat, & 100 poultry sheds was constructed. Total 5556 households, comprises of 47 villages & 05 gram panchayats is covered under this project. The focus has been paid on 255 primitive tribe groups (PTG) through behavior change, communication and social development events.

Horticulture Development with NABARD & Tribal Development Fund - TDF in 2 Blocks of Jharkhand

The TDF - WADI project of NABARD is an integral part of its natural resource management policy. It emphasizes supporting holistic development of tribal communities with orchard cultivation as the core element. The central focus of the project is the development of a WADI (small orchard) together with suitable soil conservation, water resource development measures and other measures for improving the quality of tribal life such as community health, sanitation, women development, and institutional development, etc

CGM NABARD visit in WADI Patches in Churchu, Hazaribag

SUPPORT is continued to work on WADI in 02 blocks namely Jaridih in Bokaro and Churchu in Hazaribagh district Jharkhand.

200 households from tribal community are engaged in orchard growth in Jaridih block of Bokaro district. In Churchu 500 tribal households are involved with WADI and similar activities. Mango, Guava, Perennials - creepers vegetables & spices are produced under traditional tribal livelihood system called mixed WADI in project blocks. The farmers now become skilled to initiate various activities alone like growth of orchard, fencing, maintenance, marketing of products and its preservation for value added income.

LIVESTOCK DEVELOPMENT

Livestock plays an important role in Indian economy. About 20.5 million people depend upon livestock for their livelihood. Livestock contributed 16% to the income of small farm households as against an average of 14% for all rural households. Livestock provides livelihood to two-third of rural community. It also gives employment to about 8.8 % of the population in India.

PROMOTION OF BACKYARD POULTRY IN 2 DISTRICTS OF JHARKHAND WITH GALV-MED, UNITED KINGDOM

The project focuses on eradication of ND in backyard poultry through ND vaccination (lasota) along with vaccination of fowl pox and de-worming.

Representative from GALvMed, UK in operational areas

SUPPORT is continued to work on the issue since 2015 onwards. Till reporting year 15, 48,583 birds under 198 villages of four districts have been vaccinated. The concept behind this project is to minimize fowl pox and de-worming by vaccination of birds, so that the un-expected deaths of birds could be minimized. Secondly, the pace of growth & production of birds with regular income through backyard poultry might be expanded among farmers in future.

Pig rearing venture in Churchu Block of Hazaribagh with NABARD and CInI-Tata Trusts

The pig rearing is a most lucrative venture with supplementary source of income of livelihood. Piggery, including other livestock species is increasing day by day due to poor production food grain, insufficient of rainfall, lack of irrigation source etc.

Pig rearing venture in project area

Total 486 farmers who are comes under small and landless category, are involved in piggery venture. They are also provided training on improve variety of pigs (T&D), feed & shed management, hygiene measures and regular vaccination to avoid FMD & Swine Flu.

The project has been successful in remote rural areas and there is more demand by people of same villages or adjacent rural pocket.

MICRO ENTERPRISES - A WIDE SCOPE OF LIVELIHOOD OPTION

Micro Enterprise and Promotion of Livelihood opportunity for rural poor.

Entrepreneurship is an innovative and dynamic process, whereby, a new enterprise is created. Entrepreneur is a catalytic agent of change, which generates employment opportunities for others. The emergence of entrepreneurs in a society depends to a great extent on the economic, social, religious, cultural and psychological factor prevailing in the society. Entrepreneurship amongst women is a recent phenomenon. When an enterprise is established and controlled by a woman, it not only boosts economic growth, but also has many desirable outcomes.

Chilli VC intervention

Development of NTFP - Lac Cultivation supported by JSLPS and CInI-Tata Trusts

Palash, Kusum, Ber, Asan & Semialata trees are available in locally and well known as appropriate host plant for LAC cultivation. During last financial year, SUPPORT has promoted 404 kusmi lac growing farmer in Churchu block under the PIP project funded by CInI - TATA Trusts and technical support from IINRG. Under MKSP project 358 farmers practicing on kusumi lac, 27 farmers on Rangini lac in 50 villages of Mandu block. This is one of the venture with more profit and additional source of income.

Lac Processing unit at Kajri, Churchu, Hazaribag

Training on Mushroom Cultivation for tribal youth by SUPPORT sponsored by JSTCDC, GoJ.

SUPPORT conducted training program for tribal youth on lac production at the training centre in mandu. Total 300 youths were imparted training by trainer of KVK Hazaribagh. This was successfully organised in 15 different phases with live demonstration on various aspects of lac production. This was sheduled in the month of March'2017.

SUPPORT has effectively managed and coordinated the entire session during all training phases. Almost 15 % out of 300 trainees are initiated lac production in their respective village

Mushroom training at Mandu, Ramgarh

Expousre visit at KVK, Hazaribag

FINANCIAL INCLUSION

Small saving practice among the Women and Children with SEASAME STREET - GGSS.

Financial inclusion" has gained importance since the early 2000s, a result of finding out financial exclusion and its direct correlation to poverty.

According to the former General Secretary, United Nation Kofi Annan said that “most poor people in the world still lack access to sustainable financial services, whether it is savings, credit or insurance. The great challenge before us is to address the constraints that exclude people from full participation in the financial sector. Together, we can and must build inclusive financial sectors that

help people improve their lives”.

SUPPORT is continued to generate awareness among the member SHG and children on small saving practices under financial inclusion cum literacy program in 04 operational districts i.e. Ramgarh, Bokaro, Giridh, and Hazaribag in Jharkhand. The emphasis is

given more on nurture and capacitates to establish fundamental skills and strategies for young children and adults bringing changes in their lives to help promote behavior change engaging families, in particular head of household/women, in mind full financial behaviors. Around 50000 children at the age group of 3-8 and 38000 women from different SHG's are actively participation in various affairs of financial inclusion.

The project theme is very popular among the children i.e. **SAPNA BACHAT UDAAN** that encourage children to adopt saving culture to meet their needs, during crisis. It also motivates children to save money and avoid spent money for ineffective cause.

Improved Housing & Sanitation Facility among poor and landless households with NABARD

The project initiated in the year 2016, with prime aim to support poor and marginal farmers & women through providing loan with maximum limit of Rs. 10,000 per persons for construct or renovate new, or old houses. The project districts are Ramgarh, Hazaribagh and Bokaro. Till reporting year, 94, 40 & 100 poor farmer's including women have provided loan facility. Total loan amount that has been dispersed in all districts is Rs.30,00000. The loan is given in 18 or 36

installment basis. The recovery rate of loan amount is close to 90%.

SURVEY & ACTION RESEARCH

Scientific research and study is a systematic way of gathering data and harnessing curiosity. This research provides scientific information and theories for the explanation of the nature and the properties of the world. It makes practical applications possible. Scientific research is funded by public authorities, by charitable organizations and by private groups, including many companies.

SUPPORT, has successfully conducted a numbers of survey and research on socio- economic- livelihood -behavioral change, knowledge and practices on different population and inhabitants residing in the state of Jharkhand.

During the previous year study cum research activities had been carried out on behalf of both, government & non-government department & their line agencies, these are listed as under.

बदलाव

एक छोटी सलाह से बड़े बदलाव होते हैं। गिद्धी में ऐसा ही हुआ। तंगहाल किसानों को दो साल पहले सपोर्ट नामक संस्था ने टमाटर उगाने की सलाह दी। किसानों ने उस पर अमल किया और आज तंगहाल टमाटर उगा कर मालामाल हो रहे हैं।

लाल-लाल टमाटर उमा केर काठ

- युवकों का पलायन रुका, दो वक्त की रोटी आसानी से होती है नसीब
- वर्ष 2014 में 700 विंटल टमाटर की उपज हुई, किसानों ने लाखों कमाये
- झारखंड व बंगाल की सब्जी मंडियों में भेजे जाते हैं टमाटर
- सपोटी संस्था की सलाह पर किसानों ने शुरू की थी टमाटर की खेती
